

# Sage Mobile Payments

 Sage Exchange Enabled

## Go Mobile with Sage!

Sage Mobile Payments offers the most secure mobile solution in the industry and absolutely no additional processing fees. The processing rate you pay on your terminal is the same rate you pay for mobile transactions!

Benefits of using Sage Mobile Payments for your business:

- Absolutely no additional fees on mobile transactions.
- Open up new sales opportunities—on the go!
- Close more sales while your customer is present.
- A highly-secure and encrypted credit card reader.
- Works on iPhone®, iPad®, and Android® powered smart phones and tablets.

**Make your business life easier by accepting payments on the go!**
